Don't Leave Home - Dido

```
like a ghost don't need a key
your best friend I've come to be
please don't think of getting up for me
you don't even need to speak
when I've been here for just one day
you'll already miss me when I go away
          G
so close the blinds and shut the door
            G
you won't need other friends anymore
G A7sus4 D G A7sus4 Asus2
oh don't leave home, oh don't leave home
         D A
and if you're cold, I'll keep you warm
        D A Em A
if you're low, just hold on
   D A Bm Em7
'cos I will be your safety
oh don't leave home
and I arrived when you were weak
I'll make you weaker, like a child
           G
now all your love you give to me
when your heart is all I need
            D G
oh don't leave home, oh don't leave home
G A7sus4 D G A7sus4
oh don't leave home, oh don't leave home
           D
and if you're cold, I'll keep you warm
         D A
                      Em A
if you're low, just hold on
   D A
                 Bm
'cos I will be your safety
oh don't leave home
oh how quiet, quiet the world can be
```
