

## Hold Back The Rain - Duran Duran

(E)We're miles away from now(A)here  
And the (E)wind doesn't have a name(A)  
So call(E) it what you want(A) to call it  
(E)Still blows down the lane (A) (E) (A)

People tell me, I haven't changed at all  
But I don't feel the same  
And I bet you've had that feeling too  
You just can't laugh all the time

(CHORUS):(D)And if the fires (E)burn out there's (C)only fire to blame  
(G) (D)No time for worry(E) cause we're (C)on the roam again.(G)  
(D)the clouds all (E)scatter and we (C)ride the outside lane(G)  
(D)Not on your own (E)so help me (C)please (G)hold back the rain

(VERSE):So what if the words ain't rhyming  
Did you think that it's just a game  
probably didn't even say that right  
And I really don't give a damn

Okay go off and wander  
I'm guilty just the same  
Sometimes you're needed badly  
So please come back again
