

Last Chance On The Stairway - Duran Duran

VERSE):(A)I don't remem(E)ber quite how I met (G)you (D)wasn't long ago
(A)Just get a pic(E)ture of sun,
in your(G) eyes. The waves in your hair(D) (A)
Maybe it's some(E)thing said in a mov(G)ie
or (D) you could've said last night. (A)
Just took me out(E) on a limb
And I don't(G) really know what I'm do(D)ing here.

(Em)And some(G)times I'm (Bm)caught in a land(D)slide
my (F#)beat's so in (A)time can you (C#)look at me
(Em)I'm out of reach I'll (Bm)talk if it feels right
(D)I've had my last (F)chance on the (G)stairway.

BRIDGE: A E G D

(VERSE):Funny it's just like a scene out of Voltaire twisting out of sight
'Cause when all the curtains are pulled back
We'll turn and see the circles we traced
Ain't no game... when you're playing with fire
It doesn't seem right that we fight
So the party runs on all night

And sometimes I'm caught in a landslide
My beat's so in time can you look at me
I'm out of reach I'll talk if it feels right
So nervous to say tell me can't you see
If you want I'll fall out forever
I can't say no more... bebe dance with me
And please don't say leave till later
I've had my last chance on the stairway.

(VERSE):Wonder why...
what makes me rise so high
Maybe it's something they put in your perfume
Or the look in your eyes
It could be the atmosphere sinking
I don't even know what you're thinking
Don't even know what you're drinking
But it keep this heaven alive
