

New Religion - Duran Duran

(VERSE):(Em)I've been now sauntering out and down a path sometime.
Come on, it takes me nowhere which I knew
Faces everywhere pulling grins and signs and things
Telling me not there man it's no go

(Don't go there boy)

I need a reason
I can't think without one now
Too much learning got to show
Call it treason
Maybe catch her don't know how
Too many things too much to know (D) (C)

(Em)Bring my timing in, seagulls gather on the wind.
Lady screaming, lady leave me out
'cause sometimes people stare
Coming down, electric chair
And steaming crowds they gather and they shout

Don't know why this evil bothers me Take another chance boy carry the fight. Yo
u can take him if you're fast
So why is he trying to follow me? Didn't I say if you're holdin' on
You'd be laughing at the last
How many reasons do they need? I get along fine with them friends of mine
But you have to make a choice
I might just believe this time You're singing out of tune, but the beat's in ti
me
And it's us who make the noise

(CHORUS):(D)I'm talking for (C)free, I can't (Am)stop myself, it's a new(G) rel
igion
(D)I've something to (C)see, I can't (Am)help myself, it's a new (G)religion

(VERSE):Okay my reasoning might be clouded by the sun
But someone sees the departmental lie
You know this peacetime jabbing fist in stabbing knife
Only get one look before you die

Don't know why this evil follows me Gotta take pay for the saints 'n' sinners
In regulation hats 'n' scarves 'n' things
So why does he try to bother me? Walking in formation down the lane
They carry their cross make a church bell ring
