Desperado - Eagles

```
С
, why don't you come to your senses ?
          Em7 A7 D7
You been out ridin' fences for so long now
                 G7
Oh, you're a hard one, I know that you got your reasons,
                    Em7 A7 D7 G
               в7
These things that are pleasin' you can hurt you somehow
Don't you draw the queen of diamonds boy,
She'll beat you if she's able,
           Em7
You know the queen of hearts is always your best bet
                    Bm
Now it seems to me some fine things have been laid upon your table
                               Am7
                  Α7
But you only want the ones you can't get
D D7 G G7
, oh you ain't gettin' no younger,
           Em7
                       A7
Your pain and your hunger, they're drivin' you home
And freedom, well, that's just some people talkin'
                     A7 D7
 G B7 Em7
Your prison is walkin' through this world all alone
         Εm
                           Bm
Don't your feet get cold in the winter time ?
                   G
The sky won't snow and the sun won't shine
                С
It's hard to tell the night time from the day
    Εm
You're losin' all your highs and lows
             G
Ain't it funny how the feelin' goes away
D D7 G G7
, why don't you come to your senses
        D Em A7
Come down from your fences, open the gate
        G G7
It may be rainin', but there's a rainbow above you
           B7 Em C G Am7
You better let somebody love you,
         G
           В7
                    Εm
                        Am7 D7 G
```

You better let somebody love you before it's too late
