## Love Will Keep Us Alive - Eagles

```
Intro: A F#m D E A
I was standing
                      F#m
All alone against the world outside
You were searching
For a place to hide
         Α
Lost and lonely
                     F#m
Now you given me the will to survive
                     Ε
When we're hungry... love will keep us alive
(ayni akorlarla A F#m D E A)
Don't you worry
Sometimes you've just gotta let it ride
The world is changing
Right before your eyes
Now I've found you
There's no more emptiness inside
When we're hungry... love will keep us alive
        D
I would die for you
F#m
Climb the highest mountain
                                 E D C#m B
Baby, there's nothing I wouldn't do
(ayni akorlarla A F#m D E A)
