

## **Always On My Mind - Elvis Presley**

G                    D F#            Em            G D            C                    C D

Maybe I didn't treat you, quite as good as I should have.

G                    D F#            Em            G D            C#m7 5

Maybe I didn't love you, quite as often as I could have.

C                    G

Little things I should have said and done,

So happy that you're mine.
