All That I'm Living For - Evanescence

```
Εm
I can feel the night beginning
separate me from the living
understanding me
after all I've seen
piecing every thought together
Εm
find the words to make me better
               В
                                    Em
if I only knew how to pull myself apart
Αm
                    Εm
All that I'm living for
all that I'm dying for
Αm
                Εm
                         Am
all that I can't ignore alone at night
                    Em
all that I'm wanted for
although I wanted more
lock the last open door- my ghosts are gaining on me
Εm
I believe that dreams are sacred
take my darkest fears and play them
Am
like a lullaby
like a reason why
like a play of my obsessions
make me understand the lesson
so I'll find myself
so I wont be lost again
Am
All that I'm living for
all that I'm dying for
