## Away From Me - Evanescence

```
I hold my breath as this life starts to take its toll
I hide behind a smile as this perfect plan unfolds
but oh, God, I feel I've been lied to
lost all faith in the things I have achieved
and I

                G#
I've woken now to find myself
               Еb
in the shadows of all I have created
                   G#
I'm longing to be lost in you
(away from this place I have made)
won't you take me away from me
Crawling through this world as disease flows through my veins
I look into myself, but my own heart has been changed
I can't go on like this
I loathe all I've become
[Chorus]
Lost in a dying world i reach for something more
I have grown so weary of this lie I live
[Chorus]
