Bound at every limb by my shackles of fear Sealed with lies through so many tears Lost from within, pursuing the end I fight for the chance to be lied to again

Prechorus 1:

You'll never be strong enough You'll never be good enough You were never concieved in love You will not rise above

Chorus:

They'll never see I'll never be I'll struggle on and on to feed this hunger Burning deep inside of me

Verse 2:

But through my tears breaks a blinding light Birthing a dawn to this endless night Arms outstretched awaiting me An open embrace upon a bleeding tree

Prechorus 2:

I have lived and I died for you Abide in me and I vow to you I will never forsake you
