G  
Hold on to me love, you know I can't stay long  
All I wanted to say was I love you and I'm not afraid  
G D# F G D# F G  
Can you hear me? Can you feel me in your arms?

G D# F G D# F  
Holding my last breath, safe inside myself  
G D# F  
Are all my thoughts of you  
G D# F D#  
Sweet raptured light it ends here tonight

G  
I'll miss the winter, a world of fragile things  
Look for me in the white forest  
Hiding in a hollow tree come find me
