intro: A C#m D E2 A F#m E

verse:

A C#m  
I thought I was smart I thought I was right  
D E2  
I thought it better not to fight  
A F#m E  
I thought there was a virtue in always being cool  
A C#m D E2  
so when it came time to fight I thought I'll just step aside  
A F#m E A  
and that time would prove you wrong and you would be the fool

chorus:

A C#m D E2  
I don't know where the sun beams end and the star lights begin  
A F#m E  
It's all a mystery

verse: as before

Oh to fight is to defend if it's not  
Now than tell me when would be the time that you would stand up  
And be a man for to lose I could accept but to surrender  
I just wet and regretted this moment oh that I I  
Was the fool

chorus: as before

I don't know where the sun beams end and the star  
Light begins it's all a mystery  
And I don't know how a man decides what right for his  
Own life it's all a mystery

bridge: D E

chorus: as before

I don't know where the sun beams end and the star  
Light begins it's all a mystery  
And I don't know how a man decides what right for his  
Own life it's all a mystery
