

Wasted Time - Fuel

F# A
Say it to my face
 E
Look me in the eyes
 D
And say what you have to say
F# A
 You know we can't erase
 E
These words before goodbye
 D
And turn the final page

E D
Ah, here comes alone again

 A
'Cause everything's broken
 E
everything's vacant
 F# E D
everything's wasted time again
 A
Sentiments, hopeless
 E
Innocence, jaded
 F# E D
everything's wasted time again

F# A
 And so we leave this stage
 E
And all our best written lines
 D
and all the acts we played
F# A
 So, say you want to leave
 E
and say we'd never have
 D
the way we always hoped we'd try

E D
And say hello to alone again

 A
'Cause everything's broken
 E
everything's vacant

F# E D
everything's wasted time again

A
Sentiments, hopeless

E
Innocence, jaded

F# E D
everything's wasted time again

E D
Someday we might find

(someday we will find)

E D
some sacred place in time

(yeah, in time)
