F5 (anyway)
Anyway you need me
        D5 (after you)
Bb5 (all)
All I want is you

Verse 2:
Play the intro riff for the verse.
I fall down just to give you a thrill
Prop me up with another pill
If I should fail, if I should fold
I nailed my faith to the sticking pole
Pre chorus:
Listen to the chorus for the chord changes.
The chords tend to change inbetween words.
Here are the four chords used for the pre chorus.
G5
       F5
               Eb5
                        C5
I think I'm paranoid
And complicated
I think I'm paranoid
Manipulate it
Riff between pre chorus and the chrous.
