

Calling All Stations - Genesis

(E) Calling all (Am/E)stations (Esus2)
(Esus2/B) Can anybody (Bm) tell me,
(D/B) tell me exactly where I (Bm6) am
(D/B) I've lost all sense of di(Bm6)rection (D/G)
(Bm/G) Watching the darkness (D/G) closing around me
(Bm/G) Feeling the cold all through my (D/G) body
That's why I'm (Am) calling all stations
In the (C/A) hope that someone hears me
(Em) A single lonely voice

I feel the sensation disappearing
(Am6-5/E) There's a tingling in my (Em) arms
And there's a numbness in my (Em) hands

(Am) All the broken (D) promises
(G) All my good intentions don't add (Em) up to very much
And I (F) realise whatever (D) happened,
