

Waiting - George Michael

G

Well there ain't no point in moving on

Gsus4

Until you've got somewhere to go

G

And the road that I have walked upon

Gsus4

Well it filled my pockets

G

And emptied out my soul

Gsus4 G Gsus4

G

All those insecurities,

Gsus4

That have held me down for so long,

G

Can't say I've found a cure for these,

Gsus4

But at least I know them, so they're not so strong,

D

You look for your dreams in heaven,

C

But what the hell are you supposed to do,

G

When they come true?

Gsus4 G Gsus4

G

Gsus4

Well there's one year of my life in these songs,

G

Gsus4

And some of them are about you

G

Gsus4

Now I know there's no way I can right those wrongs

G

Believe me

Gsus4

I would not lie you've hurt my pride

D

And I guess there's a road without you

But you once said

C

There's a way back for every man

G Gsus4

So here I am

G

Don't people change, here I am

Gsus4

Is it too late to try again

G

Here I am
