D#                      A#              Cm                      Gm  
Do you have the time to listen to me whine?  
G#                      D#                      A#  
About nothing and everything all at once  
D#                      A#  
I am one of those  
Cm                      Gm

G#                      D#  
Neurotic to the bone  
A#  
No doubt about it  
G#                      A#                      D#  
Sometimes I give myself the creeps  
G#                      A#                      D#  
Sometimes my mind plays tricks on me  
G#                      A#  
It all keeps adding up  
D#                      C#                      Cm  
I think I'm cracking up  
G#                      A#  
Am I just paranoid?  
(D# A# Cm A#) X2  
Am I just stoned  
D#                      A#  
I went to a shrink  
Cm                      Gm  
To analyze my dreams  
G#                      D#                      A#  
She says it's lack of sex that's bringing me down  
D#                      A#  
I went to a whore  
Cm                      Gm  
He said my life's a bore  
G#                      D#                      A#  
So quit my whining cause it's bringing her down  
G#                      A#                      D#  
Sometimes I give myself the creeps  
G#                      A#                      D#  
Sometimes my mind plays tricks on me
