

## When I Come Around - Green Day

I heard you crying loud  
All the way across town  
You've been searchin' for that someone and it's me out prowling  
As you sit around feeling sorry for yourself  
Don't get lonely now,  
Dry your whining eyes  
I'm just roaming for the moment sleazing my backyard so uptight you  
So uptight you thinking about ditching me...

Nak.:

```
{ G#                               B
    No time to search the world around
  G#                               B
    'cause you know where i'll be found
                                (F#  C# D#m B) 2x
    When I come around...
}
```

I heard it all before,  
So don't knock down my door  
I'm a loser and a user so I don't need no accuser  
To drag and slag me down 'cause I know I'm right  
So go do what you like  
Make sure you do it wise  
You may find out your self doubts means nothing was ever there  
You can't go forcing something if it's just not right...
