intro G C D7
Everybodys' Talkin' at me
An I don't hear a word there sayin'
Only the echos of my mind
People stoppin' stairin'
I don't see their faces
D7
Only the shadows of there eyes

                 D7
I'm goin where the sun keeps shinin'
Through the pourin rain
                D7
Goin where the wether suits my clothes
                   D7
Bankin' off of the north east wind
Salin on a summer breeze
An skippin' over the ocean, like a stone.
