Someone's Watching Over Me - Hilary Duff

```
C#m
                 F#m
Found myself today
                 A / B E
Oh I found myself and ran away
Something pulled me back
                  A / B E
Voice of reason I forgot I had
              Α
All I know is you're not here to say
What you always used to say
But it's written in the sky tonight
Chorus
Ε
So I won't give up
No I won't break down
               В
                          Am9
Sooner than it seems life turns around
And I will be stong
Even if it all goes wrong
When I'm standing in the dark I'll still believe
Someone's watching over me
Verse
C#m
             F#m
Seen that red light
                             A / B
            В
And its shinning on my destiny
G#m
                   C#m
Shinning all the time
C#m
And I won't be afraid
                A / B
To follow everywhere its taking me
G#
All I know is yesterday is gone
And right now I belong
To this moment to my dreams
Chorus
So I won't give up
```

```
В
No I won't break down
              В
                         Am9
Sooner than it seems life turns around
And I will be stong
Even if it all goes wrong
When I'm standing in the dark I'll still believe
Someone's watching over me
Verse 2
C#m
It doesn't matter what people say
And it doesn't matter how long it takes
                      \mathbf{E}
                   В
For leaving yourself and you'll find
C#m
And it only matters how true you are
                    Am9
Be true to yourself and follow your heart
Chorus
So I won't give up
no I won't break down
                  Am9
Sooner than it seems life turns around
And I will be stong
            В
Even if it all goes wrong
       C#m
When I'm standing in the dark
F#
I'll still believe
So I won't give up
