I was alone for the last time

A E E

Before my night's vacation with you

C#m

Alive from the first

Standing in your shoes
I turn and now
You're standing bare in my doorway
I only wish that I had been prepared
I'm gonna have to go along with your way
Just take the plastic camera out
It's in the pants you borrowed in the driveway
C#m
Alive from the first
Now I'm denied by the ghost of you
C#m
Make yourself a photograph and laugh at me
