Am F C E ( X2 )

Am F C G

I am the passenger

Am F C E

I stay under glass

Well see the bright and hollow sky  
Well see the stars that shine so bright  
The sky was made for us tonight  
Oh the passenger  
How how he rides  
Oh the passenger  
He rides and he rides  
He looks through his window  
What does he see?  
He sees the bright and hollow sky  
He see the stars come out tonight  
He sees the citys ripped backsides  
He sees the winding ocean drive  
And everything was made for you and me  
All of it was made for you and me  
cause it just belongs to you and me  
So l t.7to you and me
