

Simply Falling - Iyeoka

Bm G Em F# / F#7  
Mmmmmmmmm Mmmmmmmmm Mmmmmmmmm

Bm  
There goes my heart again  
G  
All of this time I thought we were pretending  
Em  
Nothing looks the same when your eyes are open  
F#/F#7  
Now you're playing these games to keep my heartbeat spinning  
Bm  
You show me love, you show me love  
G  
You show me everything my heart is capable of  
Em Bm  
You reshape me like butterfly origami  
Bm  
You have broken into my heart  
G  
This time I feel the blues have departed  
Em  
Nothing can keep me away from this feeling  
F#/F#7  
I know I am simply falling for you  
Bm  
I'm taking time to envision where your heart is  
G  
And ~~72 Estibyewkyaway' from the new year 62 hdmshane~~  
Em  
I tumble sometimes, looking for sunshine  
F#/F#7  
And you know this is right when you look into my eyes  
Bm  
You show me love, you show me love  
G  
You show me everything my heart is capable of  
Em F# / F#7 Bm  
And now I can't break away from this fire that we started  
Bm  
You have broken into my heart
