Angel - Jack Johnson

```
Intro: D# Bb Cm G# Fm Bb D#

     D#   Bb
I've got an angel
              Cm          G#
She doesn't wear any wings
     Fm
She wears a heart that can melt my own
     Bb                           D#
She wears a smile that can make me wanna sing
     D#          Bb
She gives me presents
        Cm G#
With her presence alone
        Fm
She gives me everything I could wish for
Bb                                       D#
She gives me kisses on the lips just for coming home
     D# Bb
She could make angels
             Cm G#
I've seen it with my own eyes
Fm
You gotta be careful when you've got good love
        Bb                      D#
Cause them angels will just keep on multiplying
Fm                         Bb
But you're so busy changing the world
   Fm                        Bb
Just one smile can change all of mine
       D#
We share the same soul
Bb               C#
Oh oh oh oh ohhh
       D#
We Share the same soul
Bb                   C#
Oh oh oh oh ohhh
       D#
We Share the same soul
Bb                   C#
Oh oh oh oh ohhh
       G#
Oh oh oh oh ohhh
Bb                   D#
Umm umm umm uhhhhhhmm
```
