Verse:

E - G# - C#m - A

Well look at all those fancy clothes  
but these could keep us warm just like those  
and what about your soul? is it cold?

F#m - B

is it straight from the mold and ready to be sold?

E - G# - C#m - A

...and cars and phones and diamond rings, bling bling  
those are only removable things  
and what about your mind does it shine org

F#m - B

are there things that concern you more than your time

E - B - C#m - A

gone, going, gone everything gone give a damn  
gone be the birds when they don't wanna sing  
gone people all awkward with their things, gone.

Intro E - C#m

Verse2:

E - G# - C#m - A

look at you out to make a deal  
you try to be appealing, but you lose your appeal  
and what about those shoes you're in today

F#m - B

they'll do no good on the bridges you've burnt along the way, oh

E - B - C#m - A yes, these are the chorus chords

you were willing to sell anything gone with your hurt  
leave your footprints we'll shame them with our words  
gone people all careless and consumed, gone

gone going gone everything gone, give a damn  
gone be the birds when they don't wanna sing  
gone people all awkward with their things gone
