## I'm Yours - Jason Mraz

```
Well, you done done me and you bet I felt it
I tried to be chill but your so hot that i melted
I fell right through the cracks, and i'm tryin to get back
before the cool done run out i'll be givin it my best test
and nothin's gonna stop me but divine intervention
    G#m
I reckon it's again my turn to win some or learn some
CHORUS
             F#
I won't hesitate no more,
    G#m
no more, it cannot wait i'm yours
Well open up your mind and see like me
open up your plans and damn you're free
look into your heart and you'll find love love love
listen to the music at the moment maybe sing with me
Ah, la peaceful melody
                                                             F:m
It's your god forsaken right to be loved loved loved Loved
CHORUS
                 F#
So, i won't hesitate no more,
    G#m
no more, it cannot wait i'm sure
            В
                          F#
                                            G#m
there's no need to complicate our time is short
this is our fate, i'm yours
*scat*
I've been spendin' way too long checkin' my tongue in the mirror
and bendin' over backwards just to try to see it clearer
my breath fogged up the glass
```

Ε

and so I drew a new face and laughed

В

I guess what I'm a sayin'is there ain't no better reason  $\mathbb{R}^{\#}$ 

to rid yourself of vanity and just go with the seasons  $$\mbox{\sc G}$\mbox{\sc m}$$ 

it's what we aim to do

E

our name is our virtue
