Well I saw fireworks from the freeway
and behind closed eyes I cannot make them go away
Cause you were born on the fourth of july freedom ring
Well something on the surface it stings
I say something on the surface Well it kind of makes me nervous
                                       Bb
who says that you deserve this and what kind of god would serve this?
We will cure this dirty old disease
F-pause-
Well if you gots the poison I gots the remedy
    G
the remedy is the experience
          F
This is a dangerous liaison
I says the comedy is that its serious.
This is a strange enough new play on words
I says the tragedy is how youre gonna spend
the rest of your nights with the light on
So shine the light on all of your friends
       F-pause-
Well it all amounts to nothing in the end.
