Dm

But your love is gonna carry me through G

As I'm falling, oh I'm falling for you

Am

And it's true

C

Got me changing everything that I knew

Dm

You're my world and I am only your fool $\ensuremath{\mathsf{G}}$

Yes I'm Falling, oh I'm falling for you $$\tt G$$

Said, I'm falling for you

Dm

Momma never told me

Αm

When that tide turns around again

7h - ---

She gonna pull you out past the break point

Gonna get it all in the end

Am

I think I'm falling for you

С

And I know that I can do

Dπ

But your love is gonna carry me through C

As I'm falling, oh I'm falling for you Δm

And it's true

C

Got me changing everything that I knew

You're my world and I am only your fool
G

Yes I'm Falling, oh I'm falling for you

Said, I'm falling for you

(es)

Oh, I'm falling for you
