I'd be like a flower, unwanted in spring alone and neglected, transplanted in vain to a garden of sadness, where its pedals would fall in the shadows of undying pain.

When I stop dreaming, thats when I'll stop thinking of you

You may teach the flowers to bloom in the spring you may take a pedal and teach it to grow you may teach all the raindrops to return to the clouds but you can't teach my heart to forget.

When I stop dreaming, Thats when I'll stop cryin' for you
