All The Ways I Want You - Jimmy Buffett

```
Intro: D G D G
Verse 1:
The hills are full of secrets
Owls watch by night
Down in town the bars are full
And the drunks are pickin fights
These the things I know
But the facts are filtered through
Chorus:
          G
All the ways I want you
All the ways I want you
Verse 2:
2:19 Freight train
Moaning somewhere near
I see you in the distance
But I can't get there from here
Hard to believe it's happenin
But my whole worlds shrunken to
Chorus
          G
All the ways I want you
All the ways I want you
Solo (do the chords for a verse and a chorus)
Verse 3:
Stars look down and laugh at me
I ought to take a bow
```

D Don't have to tell them, (spoken) lifes hard sometimes There's one fallin now Nobody's here beside me I can talk about it too

Chorus D G All the ways I want you G A D All the ways I want you G A D All the ways i want you
