## 6 Minutes - Jonas Brothers

```
She's the kinda girl that you see in the movies
Seen her in my dreams and now she's standing next to me
Down by the shore first weekend of the summer
Got to take a chance and just ask for her number
I wish I had a song on MTV
                                  Εm
Cause in a crowded room I'd be the only one she'd see
She's looking bored and now I'm running out of time
               Εm
I've only got 6 minutes if I'm gonna make her mine
Csus2
One minute and the earth begins to shake
Two minutes and my heart begins to break
                                          Csus2
Another minute and she makes me feel brand new
                              Gm7sus2
That's just three minutes with you
Four minutes and she's everything I see
Five minutes and she's where I want to be
Another minute everything just feels so new
                      Gm7sus2
I need six minutes with you
Six minutes
She's looking at her watch while the DJ is spinning
This could be the end or it's just the beginning
She's the kinda girl that I want to know better
Reaching for her keys so I guess it's now or never
I wish that I was on the radio
I'd sing her favorite song, she'd be front row at every show
This party's lame and now I'm running out of time
```
