## Dance Until Tomorrow - Jonas Brothers

```
Α
I?m calling you out, calling you out
So you can see what?s going on
Breaking me down, breaking me down
Cause I can see that something?s wrong
Bm
Your body is moving
But your mind is somewhere else
And I don?t know how to get there
It?s like you?re losing yourself
Bm D
(Oh, oh)
No, I never thought it would come this far
Bm D
(Oh, oh!)
Got enough for me to break my heart
(Oh, oh)
  Α
When the music stops
                G
For me is that you won?t let it go
Just keep dancing until tomorrow
Bm
            Α
Calling you out, calling you out
?Cause I can see we?re near the end
Letting me down, letting me down
It?s like we?re back to one again
Your body is moving
But your mind is somewhere else
```
