Hey You - Jonas Brothers

```
Mic check, can you hear me?
Gotta know if I'm comin' in clearly
Static, through the speakers
In a second your heart'll be fearless
      D
Taken, for granted
Right now you can't stand it
          D
Breakdown, it's a showdown
Got to scream it out loud
Em (strum once)
'Cause I'm not fakin'
Girl I'm just sayin'
G D
        Α
Hey you, hey you
Now we're in to somethin' new
  D

Now you're feelin' like I do
Come on!(hey)
Shout it! (oh)
Let's leave the past behind us
Come on!(hey)
Shout it out! Hey you
Bm
         D
Not open, to suggestions
I'm dreamin' of you and me dancin'
No one's interferin'
Gotta do it ourselves, we don't need 'em
Long as, we're together
```

```
Α
We won't want nobody else, baby
