seven billion people in the world trying to fit in

Am C

Keep it together,

smile on your face even though your heart is frowning

Am C

But hey now, you know girl,

G D

We both know it's a cruel world

Am C G D

But I will take my chances

C G D  
We could be starving, we could be homeless, we could be broke

Am  
As long as you love me

C G D  
I'll be your platinum, I'll be your silver, I'll be your gold

Am  
As long as you lo lo lo lo lo lo

C  
lo lo lo lo lo lo lo

G

love me, love me

[Big Sean]

I don't know if this makes sense, but you're my hallelujah  
Give me a time and place, and I'll rendezvous, and I'll fly you to it,  
I'll beat ya there

Girl you know I got you

Us, trust...

A couple of things I can't spell without you

Now we are on top of the world, 'cause that's just how we do

Used to tell me sky's the limit, now the sky's is our point of view

Man now we stepping out like wow (Oh God)

Camera's pointed shoot,

Ask me what's my best side, I stand back and point at you

You, you the one that I argue with, I feel like I need a new girl to be bothered

,  
But the grass ain't always greener on the other side,  
It's green where you water it

So I know we got issues baby true true true  
But I'd rather work on this with you

As long as you lo lo lo lo lo lo

As long as you love me
