Across the ocean, across the sea
 Em G
Startin' to forget the way you look at me now
 D A
Over the ocean and across the sky
 Em G
Startin' to forget the way you look in my eyes

 D A
And for you, I would walk

A thousand miles
 Em
To be in your arms
 G
Holding my heart

D A
Oh I, Oh I...
 Em
I love you

Everything's gonna be alright, I

Through the fights

Dont you worry 'cause everything's gonna be alright
 D A
All alone in my room

Waiting for your phone call to come soon

And for you I would walk a thousand miles
 Em
To be in your arms,

Holding my heart
