

## Do Wah Doo - Kate Nash

F Bb  
Everybody thinks that girl's so fine  
F C  
And everybody's like i'll make her mine  
F Bb  
Everyone thinks that she's a bit of alright  
F C  
But I think that she's not so nice

F Bb  
Every guy's looking in her eyes  
F C  
Every guy's checking out her thighs  
F Bb  
Everyone thinks that girl's a lady  
F C  
But I dont I think that girl's shady

F C  
Well I'll just read a book instead  
Dm Bb  
I don't care if we're just friends  
F C  
Well I can hang out with myself  
Dm Bb  
I'm old enough now to pretend  
F C  
Well I'll just read a book instead  
Dm Bb  
I know that you think she's best  
F C  
Well I don't even think she cares  
Dm Bb  
I don't know what you see - there's nothing there!
