

Boy, you're an alien, your touch so foreign

C D Em G

It's supernatural, extraterrestrial

C Em
This is transcendental on another level

D

Boy, you're my lucky star

C Em
I wanna walk on your wave length and be there when you vibrate

D

For you I'll risk it all

C D
Kiss me, ki-ki-kiss me

Em G
Infect me with your love and fill me with your poison

C D
Take me, ta-ta-take me

Em G
Wanna be a victim ready for abduction
