Mmmmm
A G
Yeah yeah
D A G Baby, please try to forgive me D A G Stay here, don't put out the glow D Hold me now, don't bother A G If every minute makes me weaker Bm E
You can save me from the man that I become $\it G$
Oh yeah
D G Looking back on the things I've done A Fm I was trying to be someone Bm I played my part E
And kept you in the dark G A D Now let me show you the shape of my heart
D Sadness is beautiful A G Loneliness is tragical D A G So help me, I can't win this war D Touch me now don't bother A G
If every second makes me weaker Bm E
You can save me from the man I've become
D G Looking back on the things I've done A Fm I was trying to be someone Bm I played my part
E And kept you in the dark G Fm D
Now let me show you the shape of my heart

I hear with my confession Bm A D G Got nothing to hide no more Em Fm I don't know where to start Fm D But to show you the shape of my heart Ε I'm looking back on things I've done G#m I never wanna play the same old part F And keep you in the dark A B Now let me show you the shape of my heart Ε Α Looking back on the things I've done В G#m I was trying to be someone C#mI played my part

F#

And kept you in the dark

A B

Now let me show you the shape of my heart
