Dm Am Do you still remember how we used to be Feeling together believe in whatever my love has said to me Dm Both of us were dreamers, Young love in the sun A# Felt like my savior, my spirit I gave you, we'd only just begun Chorus: F Dm Am A# Hasta mañana, Always be mine A# F Am Viva forever, I'll be waiting, everlasting like the sun Am A# Live forever, For the moment, ever searching for the one... Dm Am Yes I still remember every whispered word The touch of your skin, giving life from within Like a love song never heard Slipping through our fingers like the sands of time Promises made every memory saved as reflections in my mind. Chorus:

Dm Am

Back were I belong now, was it just a dream

Feelings unfold, they will never be sold and the secrets safe with me

Chorus until end.
