

G
Well there ain't no point in moving on
Gsus4
Until you've got somewhere to go
G
And the road that I have walked upon
Gsus4
Well it filled my pockets
G
And emptied out my soul

Gsus4 G Gsus4

G
All those insecurities,
Gsus4
That have held me down for so long,
G
Can't say I've found a cure for these,
Gsus4
But at least I know them, so they're not so strong,

D
You look for your dreams in heaven,
C
But what the hell are you supposed to do,
G
When they come true?

Gsus4 G Gsus4

G Gsus4
Well there's one year of my life in these songs,
G Gsus4
And some of them are about you
G Gsus4
Now I know there's no way I can right those wrongs
G
Believe me
Gsus4
I would not lie you've hurt my pride

D
And I guess there's a road without you

But you once said
C
There's a way back for every man
G Gsus4
So here I am

G
Don't people change, here I am
Gsus4
Is it too late to try again

G

Here I am
