Am You could be the one in my dreams, You could be much more than you seem, Anything I wanted in life Do you understand what I mean? Am I can see that this could be faith, I can love you more than they hate. Dm Doesn't matter who they will blame, We can beat them at their own game. Am Ε I can see it in your eyes, Αm It doesn't count as a surprise, Am Ε I see you dancing like a star, Am No matter how different we are. G Dm For all this time I've been loving you, Don't even know your name, G For just one night, we could be the same, G Αm No matter what they say. Am And I feel I'm turning the page, And I feel the world is a stage, Dm I don't think that drama will stop, I don't think they'll give up the rage. Αm But I know the world could be great, I can love you more than they hate. Dm Doesn't matter who they will blame, We can beat them at their own game.
