fig 1

We come to you through a storm of lightning
To drive this place totally insane fig 2x4
Another show that really keeps us fighting
For what it takes to blow your mind away

Hey you, are you ready for tonight
Can you hear me now fig 3x1
Let me hear you too

We come to you through a wall of thunder fig 2x2
Electrified by the sound of the guitars

Hey you, are you ready for tonight
Can you see me now fig 3x1
I wanna see you out there

We let it rock to free your energy
You let it roll, come on get on your feet fig 1
We let it rock to feed your hungry dreams
You let it roll, up to the ecstasy

We come to you through a burst of fire fig 2x2
Energized by the feedback of the crowd

Hey you, are you ready for tonight
Can you feel me now fig 3x1
Can you feel the groove

We let it rock to free your energy
You let it roll, come on get on your feet fig 1
We let it rock to feed your hungry dreams
You let it roll, up to the ecstasy
