D

I want to run, I want to hide

G

I want to tear down the walls that hold me inside

Bm

I want to reach out

A

And touch the flame

Csus9

Where the streets have no name

I want to feel, sunlight on my face

See that dust cloud disappear without a trace

I want to take shelter from the poison rain

Where the streets have no name

D

Where the streets have no name

Where the streets have no name

G

We're still building then burning down love

Burning down love

Bm

A

And when I go there, I go there with you...

D

It's all I can do

The city's a flood

And our love turns to rust

We're beaten and blown by the wind, trampled in dust

I'll show you a place high on the desert plain

Where the streets have no name

Where the streets have no name

Where the streets have no name

Still building then burning down love

Burning down love

And when I go there, I go there with you

It's all I can do

D

Our love turns to rust

G

And we're beaten and blown by the wind

D

Blown by the wind, oh and I see love

See our love turn to rust

G

And we're beaten and blown by the wind

Bm

Blown by the wind, oh when I go there

A

I go there with you, it's all I can do
