

Gm Eb F
On the wrong side of the road
Gm Eb F
In the dark and the cold
Gm Eb F
Staring at the signs
Gm Eb F
That trouble my mind
Gm Eb F
If there's anyone out there
Gm Eb F
Who can hear this man's cry
Gm Eb F
It's just an old fool
Gm Eb F
Who's about to die

Eb F
On the wrong side of the road
Eb F
Things move slow
Eb F
On the wrong side of the road
Eb F
Can't get back home

Gm Eb F
On the wrong side of the road
Gm Eb F
Where the cold winds blow
Gm Eb F
I look over my shoulder
Gm Eb F
I shiver to the bone
Gm Eb F
I can feel them near
Gm Eb F
Cause I hear them talk
Gm Eb F
They're all out to get me
Gm Eb F
They wanna see me fall

Eb F
On the wrong side of the road
Eb F
It's always cold
Eb F
On the wrong side of the road
Eb F
I lost all hope
Eb F
On the wrong side of the road
Eb F

Death is slow

Eb *F*

On the wrong side of the road

Eb *F*

I'll never get back home
